Joining Paws for Peace is a great way to volunteer and get involved in your community! Becoming a member is free but donations are greatly appreciated to help the organization stay afloat.

Paws for Peace also creates great college volunteer hours. Once you become a member you get a sheet to record your hours volunteered.

Thank you for your support!

Paws for Peace is a youth Organization dedicated to helping animals and the environment while teaching teens responsibility in the process. PFP go on volunteer trips on weekends, school holidays and breaks. We also do many projects in the process. Collecting cans, dog and cat supplies and coming up with donations to help spay and neuter those animals whose owners are in a financial struggle.
