## Basket Give away Project

Paws for Peace has started a Basket give away project, where PFP gives away free baskets full of dog or cat supplies to families in financial binds. If you or anyone else needs a supply basket please let us know using the contact information below. There is also a form on our website that you must fill out to receive a basket. You may either print it out and mail it to us, or send it by e-mail.

Sunday September 14<sup>th</sup> Paws for Peace volunteered at Harmony United Methodist Church in Concord. PFP helped out by making and giving away hot dogs while members and the public enjoyed the band Lead Zacharia and listened to former Panther NFL player Mike Miner speak. It was a very fun and rewarding experience. While I was helping volunteer I realized it wouldn't be a bad idea to have a hot dog sale for PFP to help raise money for donation baskets. I meet a woman there that owns hot dog carts and is willing to rent one out to Paws for Peace for a cheaper price because we are a non-profit organization. Therefore, we are planning to have a hot dog sale very soon.

### Upcoming events:

\*Next week will be the start of our "Holly Jolly Days" Fund raiser.

\*Hot dog sale coming soon

\*PFP yard sale 2 Saturdays away.

### Contacting us:

# Don't Litter Spay & Neuter

New program coming soon! As soon as PFP can come up with the funds we will offer free spay neutering for dogs and cats. We will pay for the surgery at the spay and neuter clinic in concord. All you have to do is take your pet in! There are a few regulations that must be taken into consideration your pet must be up to date on all their shots including the following:

Dogs must have-

- \*Rabies
- \*Canine Distemper
- \*Bordetella

Cats must have-

- \*Rabies
- \*Feline Distemper

All dogs and cats that need the operation there is a waiting period of five to six weeks and the application must be accepted by the spay and neuter clinic of Concord. This project is not up and running yet so, keeping checking our website for more update on how it is going.

Paws for Peace is in the process of collecting cans to sell to a recycling place in concord to collect money to fund our basket, and soon to come spay and neuter project. To learn more about the upcoming spay and neuter project please look on the left column. Collecting cans to sell helps PFP and the environment. If you have any cans please send them in to us with a can slip (found on our website). All proceeds from the cans will help toward our two new PFP projects. Thank you to all that can help.

## **Paws for Peace Yard Sale:**

is September 27th. At the address on the front of this months news letter. If you have any items you would like to donate to the yard sell please send them into us also. If you would like to volunteer at this event please e-mail me and let me know as soon as possible. Thank you!
